Dear Mr. & Mrs. John Q. Sample,

For over 60 years, *hope* has been found here in Anderson through partnerships like yours.

**That's the history and ministry of Haven of Rest: a place *filled with hope* as God blesses the kind of impact you make!**

It frankly couldn't happen without such compassion in action, especially during these difficult days for so many struggling with life-dominating challenges, heartache, hardships, and *hopelessness*—like Karen,\* who grieves . . .

"If you'd seen me before I came to Haven of Rest, you would have seen a person who was lost, broken, and had low self-esteem. It was horrible, devastating, thinking I couldn't hold my head up, feeling I wasn't worth it."

You see, it's because of you that Haven of Rest can give every individual we serve a chance for real life change through Jesus. You are a key part in ensuring people like Karen can stay here for up to a year at no cost so they can receive resources, life skills, and teaching in a safe atmosphere with others who are seeking hope in Christ.

**That's why I urge you, as a key ministry partner, to help affect more lives like Karen's in this new year.**

Your hope-filled gift will make all the difference for many others like Karen in 2023.

With your support, we'll also continue sharing God's love and the biblical insight necessary for our guests to experience healthy, independent lives. And because of generous hearts like yours, our long-term programs remain free of charge to those in need—

It all starts with *your* help to meet the needs of each guest with Christ-centered care, life coaching, education, job placement, transitional living after graduation, and more—all while providing shelter and daily nourishment.

**That's the kind of impact *you* provide—and to ensure you can see its extent, please**

(over, please)

\*Name changed for privacy

look over the special **IMPACT REPORT** I've enclosed to see what a blessing you are to those we serve!

Karen can tell you exactly what that blessing means to someone who has felt broken for so long: "I'd gone through a marriage that was very abusive, even being beat up for every little thing I did. It was a mental, physical, and emotional situation," she sighs, remembering—

"That was hard to take . . . especially when it's your family . . . people you *love* so much."

**It's for guests like her that sharing your own love makes an incredible difference.**

"That's how I walked in with freedom—with *hope*," Karen says, her newfound salvation and ongoing transformation shining in her eyes today because at Haven of Rest. "I felt I was finally going to get the help I needed to leave my past in the past."

"We learned how to study the Bible . . . how God is the center of our life . . . *how to live and not just be alive*," she adds, finally looking forward to the future: "When you see me now, you see a child of God!"

**That's the kind of *hope-filled* impact your gifts and prayers have on many lives!**

So please consider how your heart is being moved to make a truly generous gift at the start of 2023, providing even more help, healing, and *hope* here at the Haven in the new year!

Thank you for giving, thank you for praying, and please let me hear from you **soon**.

With God's Grace and Blessings,

Eddie Capps  
Director

P.S. I'm so grateful for the impact you're making here at Haven of Rest, and I share Karen's gratitude with you as she shares, "I'm holding up my head and smiling because I know I'm a new creature in Christ!"

*I can't wait to see the many lives God transforms here in 2023 with your help. Thank you for ensuring HOPE for "all things new" is available to everyone who comes through our doors!*
